

	Name	Email	Address	Preference:				Reasoning:			Speed Concerns	Other suggestions:
				Option A	Option B	No Preference	Opposes	Distance from School	Proximity to School	Proximity to Bus Stop		
1				X				X		X		
2				X				X				
3				X				X		X		
4					X						X	More importantly would be a speed camera
5					X							Zebra crossing needs placing on the crest of the hill on the A438.
6					X						X	New road marking, speed bumps, speed camera
7					X							Widening the schools access
8				X				X		X		
9					X			X				
10				X				X				
11					X							Anything to reduce number of cars waiting for the school
12					X				X			
13					X				X			
14					X				X			The path to the Bus stop should have been done many years ago

15				X				X		X	X	Parking restrictions. Speed camera.
16					X				X		X	
17					X				X			
18						X						
19						X						
20						X					X	30mph repeater signs
21					X				X			
22					X				X			
23					X							Bartestree Crossroad improvements
24					X							Lack of visibility at bus stop
25					X					X	X	Proposed footpath is much needed
26						X						Crossing should be outside Middle Court where there's better visibility
27					X							
28					X				X			School traffic needs resolving prior to installation of any crossing
29					X				X			Footbridge across the river Lugg
30					X							Please ensure crossing is controlled by lights and parking restrictions on Treherne Close/A438
31				X				X				
32					X				X			

	Name	<a href="#">Email</a>	Address	Option A	Option B	No preference	Opposes	Distance	Proximity	Bus Stop	Speed Concerns	Other Suggestions
33				X								The footpath should be extended to form a footbridge parallel to the A438 over the Lugg
34						X						Controlled crossing, parking restrictions, lugg river crossing. Multiple other suggestions in body of email
35					X						X	A continuous path to Bartestree shop
36				X							X	30mph repeater signs
37					X							
38					X							Crossing controlled by lights
39				X				X				Utilise some of the school grounds to offer parent dropping off/ picking up area safely away from the main road.
40					X				X			Parking restrictions on Traherne Close/A438. Box junction at school entrance
41					X				X			
42					X							
43					X							Could an option c be considered where the bus stop is moved closer to the school. This would mean less footpath being required and no land acquisition would be needed.

44				X				X			For H&S reason staggering pickup times should be considered
45						X					
46			X					X			
47			X								
48				X							
49				X							
50				X							
51				X

54				X					X		
55						X					
56				X					X		
57				X					X		
58				X							
59				X							
60					X				X		Footpath improvements to the pub, hedge trimming etc. 20mph limit during school times. Crossing should be controlled by lights
61			X					X			Continuous footpath needed into Bartestree
62			X								Controlled crossing using lights
63			X								20mph speed restriction by the school
64				X							
65			X							X	
66				X							

81					X							Signalised crossing. Hatched junction at Traherne Close. Parking restrictions.
82				X								
83				X								Objects to S106 money being spent on the school. A crossing at the top of hill outside Lammas Lodge. School needs to introduce its own measures.
84					X							Move crossing further away from school. Pedestrian counts to establish bus stop use. Crossing within school grounds set back from A438 jct.
85					X				X			Crossing at Lammas Lodge
86					X				X			
87					X							
88				X								Funds should not be spent on the school. Should should use land for parking and pick up.drop off. Funds should be spent on footbridge pver the Lugg at Lugwardine.
89				X								
90					X							
91					X							Parking restrictions on the junction of Trahearne Close and A438

	Name	<a href="#">Email</a>	Address	Option A	Option B	No preference	Opposes	Distance	Proximity	Bus Stop	Speed Concerns	Other Suggestions
92				X								Opposes S106 being spent on crossing. School should make allowances for pick up/drop off of pupils. Crossing is needed outside Lammas Lodge
93					X							Two crossings and no footpath. Parking Restrictions. 20mph speed restriction.
94					X				X			
95					X							Cut back hedges along Bartestree footpath, especially near Penkelly.
96					X							A bypass around Hereford. Footbridge over the Lugg and footpath on Cotts Lane, Lumber Lane and Whitestone Lane. Weight restriction of Lugg Bridge to direct HGV's along A417 and A438. A continuous path from Lugg Bridge to Whitestone Lane.
97				X						X	X	
98				X				X		X		
99					X							

100					X							Signalised crossing. Footpath over Lugg Bridge. A continuous footpath between Hereford and Lugwardine. Cut back hedgerow along footpaths. Reinstate, widen or reroute the footpath through Lugwardine & Bartestree. Speed restrictions. Remove bollard by Meadows. Traffic calming on A438
101							X					Disagree with both options. Crossing needed of the Lugg, improvements to Bartestree cross roads and bus stop.
102					X				X			
103				X				X				
104					X				X			
105					X							Install a pelican crossing at the school junction that incorporates traffic lights from the school driveway. Add a box junction at the school entrance. School warning beacons and queueing traffic signs. A continuous pavement between both villages.
106					X							"School, 20 mph when lights show" signs

107				X								rumble strips on the school driveway, to slow school traffic down on the approach to the main road.
108				X						X		
109					X							Something to make pedestrians safer on Lugg Bridge. Provision to walk in to Hereford
110					X							The bus stop near the Cloisters already has drop kerbs and these should be retained.
111				X					X	X		
112				X								
113							X					Does not support footpath or crossings.
114				X				X		X		Parking restrictions on A438. Footbridge over Lugg. More details in letter.
115					X							Signalised crossing
116					X							
117				X						X		
118							X					PC do not support crossing point. Parking restrictions on Traherne Close, Cotts Lane, Rhystone Lane and Lumber Lane
119					X							Pedestrian crossing near Lammas Lodge. Safe walking and cycling routes including river crossing over the Lugg.

				X								Large deciduous tree must remain undamaged by footpath works
