MAY 2021

AFTER!!

Mr Eager's 'Rooftop Garden' - NB air conditioning unit, air vents, risers, no safety barrier as would be required for a leisure space.

**Other Pictures of The Ledberry Store - Retail & Lifestyle Store**

*Feedback from local residents who remembered this space as The Shell Art Gallery have all been hugely complimentary and are now enjoying coming to experience the space in its new form after a long period of vacancy. We have also created several full time and part time positions, employing 6 local staff currently, and we will look to add to this going forwards.*

WE ARE OPEN
