Scrutiny Committee**

**Draft work programme**

28 July 2021

# Work programme rationalisation and prioritisation

- Potential items of business have been identified previously and other items may be proposed. These need to be rationalised and prioritised, reflecting the time and resources available.
- Should this go on the work programme?

## Yes, if...

- ✓ the issue is strategic, county-wide and not limited to just a few communities...
  - ✓ scrutiny is being proactive, able to make a difference at the right time...
  - ✓ additional transparency and influence can be added to the topic at hand...
  - ✓ there is considerable public interest in scrutiny lifting the lid.
- How can the issue be dealt with most efficiently and effectively?
    - a briefing note
    - a seminar / workshop
    - an agenda item
    - a task and finish group
