## **Record of officer decision**

Decision title:  Decision to spend from the Property Services Estates Capital Works Programme to upgrade resilience to various properties.  Date of decision:  27 October 2021  Acting Head of Property  Authority for delegated decision:  Capital Programme 2021/22).  http://councillors.herefordshire.gov.uk/ieDecisionDetails.aspx?ID=7495  Ward:  Old Gore, Kerne Bridge, Bobblestock, Leominster East, Wormside  Consultation:  None.  Decision made:  That authorisation be given to implement the above recommendation in respect of the key decision dated 21st January 2021 and spend within the approved budget for Resilience works, Estate Capital Programme 2019/22 CAP908, of not more than £16k (inclusive of professional fees, contingencies, etc) to provide remote monitoring capability to various sewage pumping stations.  Reasons for decision:  The current equipment at several of these sites is old and was too sophisticated for the requirements. All five sites will have the Nortech NX12 4G AC powered RTU with battery backup, SIM card and iHost cloud monitoring service installed that will provide the level of monitoring we need at a reduced cost.  MetroRod have been identified as the bidder representing best value for money following a competitive tender and assessment process in accordance with Council procurement procedures. Quotations were invited from four prospective companies and only one returned a valid quotation for consideration.
Date of decision:  27 October 2021  Decision maker:  Acting Head of Property  Authority for delegated decision made on 21st January 2021 (Report Ref: Property Services Estates Capital Programme 2021/22).  http://councillors.herefordshire.gov.uk/ieDecisionDetails.aspx?ID=7495  Ward:  Old Gore, Kerne Bridge, Bobblestock, Leominster East, Wormside  Consultation:  None.
