Authority for delegated decision:	<p>Directorate scheme of delegation: updated 22nd October 2021 Directorate: Economy and Place, section 75. To act on behalf of the council in respect of the legislation specified in the foregoing: Traffic Management Act 2004, Road Traffic Act 1988, Cycle Tracks Act 1984, Highways Act 1980, National Parks and Access to the Countryside Act 1948, New Roads and Street Works Act 1991, Road Traffic Regulation Act 1984, Town and Country Planning Act 1990, Town Police Clauses Act 1847, Traffic Calming Act 1992, Wildlife and Countryside Act 1981</p>
Ward:	Mortimer
Consultation:	A communication plan will be implemented to inform and liaise with key stakeholders affected by this closure and the resting diversion. This will include local residents, businesses, Parish Councils and local ward members
Decision made:	To authorise the making of a Temporary Road Closure Order served under section 14(1) of the Road Traffic Regulation Act 1984 to require a temporary closure on the U92016, Pig And Whistle Road, Lingen Deerfold, from the junction with Ongar Street to Crookmullin Road, planned to be effective for a period of 6 months commencing on the 13th of December 2021.
Reasons for decision:	Due to a highway defect requiring full protection to motorists for safety reasons whilst design for remedial works is drawn up and carried out, for which purpose the Council, as highway authority, consider the closure of the road is required due to the likelihood of danger to highway users while the said defect and subsequent works are carried out.
Highlight any associated risks/finance/legal/equality considerations:	Localised disruption on highway network will be kept at shortest possible duration. Pedestrian and vehicular access to premises affected by this closure will be maintained.
Details of any alternative options considered and rejected:	Not to introduce a temporary closure of the road; but there would then be operational difficulties in the said works being carried out, and/or would result in a longer period of disruption. In addition, there would be a greater risk to users of the highway and possible claims against the highway authority as a result.
Details of any declarations of interest made:	None

I am an officer delegated to make the decision
