

PAY POLICY STATEMENT 2022

Introduction

1. This document meets section 38(1) of the Localism Act 2011 that requires councils to produce an annual pay policy statement that articulates the council's own policies towards a range of issues relating to the pay of its workforce, particularly its senior staff and lowest paid employees. The majority of terms and conditions are universal and apply to all employees, unless otherwise specified.
2. The council's pay policy statement does not apply to schools, other than reference to pay for bargaining for support staff in locally maintained schools.
3. Herefordshire Council's rules with regard to employment of staff are set out within the employment rules contained within Part 4, section 9 of the constitution.
4. The statement is subject to annual review.

Pay structure / national frameworks

5. Herefordshire Council is committed to fair pay and grading determined by a robust and objective job evaluation process. The National Joint Council's (NJC) job evaluation scheme is used for identifying the pay grade for all posts up to 07HC and the Hay job evaluation scheme for posts above this level.
6. The council's pay structure is based on the National Joint Council for local authorities pay spine as the basis for its local grading structure up to 11HC. Pay rates above this are locally determined. The pay structure is at appendix A. The council adheres to the national pay bargaining for local government employees, including any negotiated annual cost of living increases. This also applies to support staff in local authority maintained schools.
7. To reflect market conditions, the council currently pays enhancements such as market forces supplements to attract candidates or to retain employees where there is an identified and evidenced skills shortage to enable the council to pay a competitive rate for the job. The council has a robust policy in place to manage market forces supplements. The majority of these supplements are paid to staff working in children's social care where there are nationally recognised shortages in the supply of qualified children's social workers. A small number of market forces supplements are also in place for some senior management posts and these are listed in paragraph 12. Proposals for new market forces supplements are approved by the Director, HR&OD and s151 Officer. Existing market forces supplements are reviewed no less frequently than every two years and may be withdrawn subject to notice, where the market conditions no longer warrant the payment.

8. All other pay related allowances are the subject of either nationally or locally negotiated rates, having been determined from time to time in accordance with collective bargaining machinery and/or as determined by council policy.
9. The terms and conditions of employment for the majority of council employees are determined by the National Joint Council for local authorities. Statutory chief officers and employees on director grade and above are aligned to the Joint Negotiating Committee for Chief Officers of Local Authorities (or Joint Negotiating Committee for Chief Executives of Local Authorities). These may be amended, supplemented or superseded by decisions on conditions of service made by the council from time to time and contained within the council's employment policies and procedures.
10. Nationally or locally determined rates and terms and conditions apply for other employee groups including:
- Employees whose pay and conditions are determined by the Soulbury Committee;
 - Centrally employed teachers whose pay and conditions are determined nationally;
 - Employees who have transferred from the NHS to the council and retain their former terms and conditions of employment;
 - Employees who have retained terms and conditions of employment from other employers following a TUPE transfer to the council.

Remuneration of lowest paid employees

12. 'Lowest paid employees' is defined as those paid on full time equivalent salaries on spinal column point 01HC, which is the minimum spinal column point currently in use within the council's grading structure.

Relationship between remuneration of chief officers and remuneration of employees who are not chief officers

13. The relationship between the rate of pay for the lowest paid and chief officers is determined by the job evaluation process used for establishing the grading of posts and grade/role profiles as set out earlier in this policy statement. The salary ratio between the council's lowest paid staff and the chief executive's salary is 1:8.68. This is unchanged from the previous year.

Remuneration on recruitment

14. New appointments will normally be made at the minimum of the relevant grade, although this can be varied where necessary to secure the best candidate or if an internal candidate is appointed on promotion so that a pay rise ensues. The chief executive and directors are on spot salaries specified in this statement, the right of approval to offer new appointments, not specified above in this statement and or to approve discretionary severance packages in excess of £100k is reserved to Council.

Increases and additions to remuneration

15. Employees, within a salary pay band, receive annual increments until the top of their salary grade has been reached. The first increment is paid when the employee has been in post for 12 months or six months after appointment, whichever is the later. This does not apply to the chief executive or directors. In exceptional circumstances increments may be accelerated within the grade on grounds of special merit or ability subject to the maximum of the level not being exceeded.
16. The chief executive is the returning officer for Herefordshire. No additional payment is made for fulfilling this duty for local elections as this is built into the overall salary. Employees who undertake election duties are paid a fee that is set by the returning officer depending on the duties undertaken.
17. From time to time it may be necessary to take account of the external pay market in order to attract and retain employees with particular experience, skills and capacity. Where this is necessary the council may apply pay supplements to posts which are determined to be 'hard to fill'. At all times the council will ensure the requirement for such supplements is objectively justified by reference to clear and transparent evidence of relevant market conditions. These supplements are regularly reviewed.
18. Honoraria payments are made to recognise either a special contribution an employee has made that is over and above general performance in a role, or where they have temporarily undertaken additional responsibility at a higher grade.

Use of performance related pay, bonuses or pension enhancements

19. The council does not apply any bonuses or performance related pay to employees.
20. Pension enhancements are made in line with the council's LGPS discretions policy.

Benefits in kind

21. Employees currently have access to salary sacrifice schemes for bicycles. The council operates a childcare voucher scheme to those employees already in the scheme at 1 April 2018 and subject to prevailing legislation. The council also offers staff access to a package of high street discounts and benefits. This reflects the benefits available to staff in neighboring authorities so that the council is able to be competitive in recruitment markets.
22. Reasonable relocation expenses may be paid for new employees or workplace relocation. Employees are reimbursed for reasonable travel and subsistence expenditure incurred in the course of their work. Subsistence is only paid when travelling outside of the county.
23. Worcestershire County Council administers the local government pension scheme on behalf of the council.

Approach to payment on ceasing to hold office under or to be employed by the authority

24. The council's policy on termination of employment of employees prior to reaching normal retirement age is to base redundancy payments on the statutory calculation multiplied by 1.5.
25. The council operates a mutual early resignation scheme (MERS) under which an individual employee, in agreement with the council, chooses to leave employment in return for a severance payment or, if in the Local Government Pension Scheme and aged over 55, a pension that is not actuarially reduced. It is not a redundancy or a voluntary redundancy.

Accountability and decision making

26. In accordance with the council's constitution, the employment panel is responsible for decision making in relation to the recruitment, pay, terms and conditions and severance arrangements for the chief executive, monitoring officer, section 151 officer, director of public health and corporate directors.
27. In accordance with the council's constitution, the chief executive is responsible for decision making in relation to all other employees of the council.
28. For those pay accountability matters identified within the Localism Act as being reserved to Council, the employment panel will be the body accountable for formulating recommendations to council. This includes the undertaking of an annual review of this statement before recommending its approval to council as one of the suite of documents council approves as part of its medium term financial strategy. The pay policy statement therefore forms part of the budget and policy framework of the council.
29. In addition to approval of this statement, the right of approval of new salary packages for additional posts not listed in this statement over £100,000 is reserved to Council. In such circumstances the employment panel will be the body accountable for developing recommendations to Council.

Publication of and access to information

30. After approval by Council, this statement will be published on the council's website. In addition, statutory employees' (chief executive, directors, including the chief finance officer, and monitoring officer) details are disclosed in the council's annual statement of accounts setting out the total amount of:
- Salary, fees or allowances paid to or receivable by the person in the current and previous year.
 - Any bonuses so paid or receivable by the person in the current and previous year.
 - Any sums payable by way of expenses allowance that are chargeable to UK income tax.
 - Any compensation for loss of employment and any other payments connected with termination.
 - Any benefits received that do not fall within the above.
