**Wards affected**

(All Wards);

**Purpose**

To clarify, the final central government financial settlement confirmed new homes bonus grant funding of £1.33m in 2022/23. Leader approved on 14 January 2022 to consider the citizens assembly participatory budget process to inform ways of allocating this funding. This will be through the managing climate change reserve referred to in appendix E.

This will be included as an additional recommendation (j) for Council approval, as below:

**j) the new homes bonus grant funding of £1.33m is allocated to the managing climate change reserve.**
