Farmers) on Newport Street and the River Wye. There is a site map and plan included in our application.

We are proposing to bring our established philosophy festival, HowTheLightGetsIn, back to Hay-on-Wye this year following successful events in both Powys and Hereford since 2008. The site is located away from any residential properties in town, and provides a beautiful site which highlights the beauty of Hay and the local landscape.

We have for the last 10 years curated and produced this event, which features world-leading thinkers on Philosophy, art, science and every subject in between. Speakers engage in talks and debates on the topics that bring these issues to the forefront of public discussion. We have been described by Total Politics as "Europe's answer to TED" and in a Guardian Editorial as "bringing Britain back to big thinking". For this year's event we are planning to host a long weekend of talks and debates solely on this field which we name the 'Riverside Field'.

Alongside our primary output of talks and debates, we create a unique festival atmosphere of collectivity and understanding by integrating live music along with our events. Our venues are enclosed tents, provided by suppliers we have known and relied on for excellent service for the past 10 years. Our timetable of events across the weekend will be begin no earlier than 9am and end at 1am at latest. We have taken the decision to end the event one hour earlier in the evening than our previous events as we recognized that a 2am finish was of concern to some of the town residents.

The capacity for the event for 2022 is expected to be between 2500 and 3000. However for the purposes of the premises license the capacity will be 4999. We have extensive experience in managing events of this number. Our ticketing matrix allows us to make precise predictions about the number of patrons who will attend, and we have outlined the steps we will undertake to ensure the safety of all our attendees at the festival.

We expect our demographics to be as follows based on data capture from previous events:

57 % Female, 43% Male,  
28% under 30  
38% from education/arts/media backgrounds

We look forward to bringing our diverse and eclectic event back to Hay-on-Wye, promoting the area as part of a vibrant artist and tourist community, and working together with Hereford council on this.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

Where taking place in a building or other structure tick as appropriate. Indoors may include a tent.

State type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.

Live music will be performed as part of the wider festival programme. There will be live music performed alongside our debates and talks during the day. We do this in order to soften the atmosphere and increase conversation. Our music is therefore never at a level that interferes with our spoken events and is therefore low-key in nature. Our music and musicians are chosen to fit the style and feel of the event, and tend to be of a similar genre, typically involving folk, blues and jazz influences. After our talk events are over at around 19:00, we hold music events in four venues to allow for relaxation in the evening.

All amplified music is played in enclosed tents rather than open air stages. For the location of live amplified music please see the attached site plan.

We are aware of the need for sound control, and have undertaken noise management assessments, background noise tests, sound checks and control regimes previously. A noise management plan will be in place for this event.

Give a description of the type of entertainment that will be provided

Talks, Debates, Comedy and Cabaret.

Will this entertainment take place indoors or outdoors or both?

Indoors  Outdoors  Both

Where taking place in a building or other structure tick as appropriate. Indoors may include a tent.

State type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.

We will primarily be producing talks and debates on philosophy, politics, art and science. These events form the basis of our primary output of our organisation. According to our impact statement, the production of debates in a democratic space helps engender a spirit of creative and intellectual discussion in line with our broader aims. We are seeking to give philosophy and ideas a central role in public life, and the festival will be one way in which we intend to achieve this aim.

We will also be programming some comedy and cabaret. Any age restricted content will be marketed and sign-posted as sign, and restricted entry procedures will be in place.

These talks, debates, comedy and cabaret events will take place across the weekend in enclosed tent structures. Speakers' voices will be amplified through the use of radio microphones. The purpose of amplification is to ensure that they can be heard clearly by attendees and so that the events can be filmed for webcasting. All amplification will be at a limited volume.

Provision of Alcohol from 11 pm:

We operate a Challenge 25 policy across all of our bar and café areas. Signage at all bars will clearly state our Challenge 25 policy. All our staff are trained in the policy and our site is supervised by a personal license holder. The assistant festival managers regularly check the sale of alcohol from the bars does not contravene the terms of our license.

All bars where alcohol is served will provide DPS details to the licensee prior to the event. For the locations of these please see attached site plan showing the venues which include alcohol sale. All bars will close no later than 15 mins prior to the final event finish.

To mitigate the risk of unruly attendees, the terms and conditions of ticket sale for the event clearly state that any such behavior will lead to ejection from the site. Similarly anyone found in possession or under the influence of illegal substances will be ejected from the festival site and reported to the police. We have been running the event for eight years and have not had a problem on either of these fronts.

Provision of Food from 11 pm:

We will also have some food traders and vendors that will open later than 11 pm. All of these will be pre-agreed and subject to the terms of the Event Safety Management Plan.
