

Statement of Truth

I am Adrian POINER and I live at 7 Foundry Place, LEOMINSTER HR6 8DE.

I live two doors up from the Shooters Bar in LEOMINSTER and have lived here for over ten years, being one of the first to move in when the houses were first built.

I gave a statement about this about three years ago when there was the another application for more hours at the Club after Jon RUDGE took over. Nothing has changed much since then.

What I'd say, again, is that I've noticed a vast improvement. I haven't heard any loud music from the Club at all. Yes, there used to be a problem with loud music years ago, but I don't hear any of their music any more.

I've also been asked about bad behaviour on Central Car Park of a night time. I've got no problems with people on Central Car Park at night and as nobody has ever damaged my property or caused any other problems so far as I am aware.

This is a statement of truth dated 15th March 2020.
