

The Internal Audit Charter

Purpose

The purpose of this Charter is to set out the nature, role, responsibility, status and authority of internal auditing within Herefordshire Council, and to outline the scope of internal audit work.

Approval

This Charter was approved by the Audit and Governance Committee on 16th March 2021 and is presented to the Committee today 15th March 2022 to ensure it remains accurate and up to date.

Provision of Internal Audit Services

The internal audit service is provided by the SWAP Internal Audit Services (SWAP). This charter should be read in conjunction with the Service Agreement, which forms part of the legal agreement between the SWAP partners.

The budget for the provision of the internal audit service is determined by Herefordshire Council, in conjunction with the Members Meeting. The general financial provisions are laid down in the legal agreement, including the level of financial contribution by the organisation, and may only be amended by unanimous agreement of the Members Meeting. The budget is based on an audit needs assessment that was carried out when determining the organisation's level of contribution to SWAP. This is reviewed each year by the S151 Officer in consultation with the Chief Executive of SWAP.

Role of Internal Audit

The Accounts and Audit (England) Regulations 2015, state that: *"A relevant authority must undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account the public sector internal auditing standards or guidance."*

Internal audit is an independent, objective assurance and consulting activity designed to add value and improve the Organisation's operations. It helps Herefordshire Council accomplish its objectives by bringing a systematic disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes.

Responsibilities of Management, Audit and Governance Committee and Internal Audit

Management¹

Management is responsible for ensuring SWAP has:

- the support of management and the organisation; and
- direct access and freedom to report to senior management, including the Chief Executive and the Audit and Governance Committee
- notification of suspected or detected fraud, corruption or impropriety.

Management is responsible for maintaining internal controls, including proper accounting records and other management information suitable for running the Organisation. Management is also responsible for the appropriate and effective management of risk.

Audit and Governance Committee

¹ In this instance Management refers to the Management Board and Statutory Officers.

The Audit and Governance Committee is responsible for approving the scope of internal audit work, receiving communications from the SWAP Assistant Director on the progress of work undertaken, reviewing the independence, objectivity, performance, professionalism and effectiveness of the Internal Audit function, and obtaining reassurance from the SWAP Assistant Director as to whether there are any limitations on scope or resources.

Internal Audit

The SWAP Assistant Director, as Head of Internal Audit, is responsible for determining the scope, except where specified by statute, of internal audit work and for recommending the action to be taken on the outcome of, or findings from, their work.

Internal audit is responsible for operating under the policies established by management in line with best practice.

Internal audit is responsible for conducting its work in accordance with the mandatory elements of the Code of Ethics and Standards for the Professional Practice of Internal Auditing as set by the Institute of Internal Auditors and further guided by interpretation provided by the Public Sector Internal Audit Standards (PSIAS) and the CIPFA Local Government Application Note. SWAP has been independently assessed and found to be in Conformance with the Standards.

Internal audit is not responsible for any of the activities which it audits. SWAP staff will not assume responsibility for the design, installation, operation or control of any procedures. SWAP staff who have previously worked for the organisation will not be asked to review any aspects of their previous department's work until one year has passed since they left that area.

Relationship with the External Auditors/Other Regulatory Bodies

Internal Audit will co-ordinate its work with others wherever this is beneficial to the organisation.

Status of Internal Audit in the Organisation

The Chief Executive of SWAP is responsible to the SWAP Board of Directors and the Members Meeting. Appointment or removal of the Chief Executive of SWAP is the sole responsibility of the Members Meeting.

The Chief Executive for SWAP, the Executive Director and Assistant Director also report to the Section 151 Officer and reports to the Audit and Governance Committee as set out below.

The Assistant Director will be the first and primary point of contact for the organisation for all matters relating to the Audit and Governance Committee, including the provision of periodic reports, as per company policy. The Assistant Director is also responsible for the design, development and delivery of audit plans, subject to the agreement of Herefordshire Council.

Scope and authority of Internal Audit work

There are no restrictions placed upon the scope of internal audit's work. SWAP staff engaged on internal audit work are entitled to receive and have access to whatever information or explanations they consider necessary to fulfil their responsibilities to senior management. In this regard, internal audit may have access to any records, personnel or physical property of the organisation.

Internal audit work will normally include, but is not restricted to:

- reviewing the reliability and integrity of financial and operating information used for operational and strategic decision making, and the means used to identify, measure, classify and report such information;

- evaluating and appraising the risks associated with areas under review and make proposals for improving the management and communication of risks;
- appraise the effectiveness and reliability of the enterprise risk management framework and recommend improvements where necessary;
- assist management and Members to identify risks and controls with regard to the objectives of the organisation and its services;
- reviewing the systems established by management to ensure compliance with those policies, plans, procedures, laws and regulations which could have a significant impact on operations and reports, and determining whether the organisation is in compliance;
- reviewing the means of safeguarding assets and, as appropriate, verifying the existence of assets;
- appraising the economy, efficiency and effectiveness with which resources are employed;
- reviewing operations or programmes to ascertain whether results are consistent with established objectives and goals and whether the operations or programmes are being carried out as planned, with performance and accountabilities established.
- reviewing the operations of the organisation in support of their anti-fraud and corruption policy, ethical expectations and corporate values, investigating where necessary.
- at the specific request of management, internal audit may provide consultancy services (including fraud investigation services) provided:
 - the internal auditor's independence is not compromised
 - the internal audit service has the necessary skills to carry out the assignment, or can obtain such skills without undue cost or delay
 - the scope of the consultancy assignment is clearly defined, and management have made proper provision for resources the work.
 - management understand that the work being undertaken is not internal audit work.

Planning and Reporting

SWAP will submit to the Audit and Governance Committee for approval, quarterly internal audit plans, setting out the recommended scope of their work in the period.

The quarterly plans will be developed with reference to the risks the organisation will be facing in the forthcoming year, whilst providing a balance of current and on-going risks, reviewed on a cyclical basis. The plan will be reviewed on a quarterly basis to ensure it remains adequately resourced, current and addresses new and emerging risks.

SWAP will carry out the work as agreed, report the outcome and findings, and will agree actions to be taken as a result with the appropriate manager and Director. SWAP will report at least two times a year to the Audit and Governance Committee or as agreed. SWAP will also report a summary of their findings, including any persistent and outstanding issues, to the Audit and Governance Committee on a regular basis.

Internal audit reports will normally be by means of a brief presentation to the relevant manager accompanied by a detailed report in writing. The detailed report will be copied to the relevant line management, who will already have been made fully aware of the detail and whose co-operation in preparing the summary report will have been sought. The detailed report will also be copied to the Section 151 Officer and to other relevant line management.

The Assistant Director will submit an annual report to the Audit and Governance Committee providing an overall opinion of the status of risk and internal control within Herefordshire Council based on the internal audit work conducted during the previous year.

In addition to the reporting lines outlined above, the Chief Executive of SWAP and SWAP Directors and Assistant Directors have the unreserved right to report directly to the Leader of the Council, the Chairman of the Audit and Governance Committee, the organisation's Chief Executive Officer or the External Audit Manager.
