Reference	Description	Corporate Risk
CS.01	Mandatory IG and IS Training IF staff do not complete their mandatory IG and IS training before being given access to business systems THEN this may lead to data breaches or the mis-management of information and risk referral to the Information Commissioner and/or legal challenge with resultant unbudgeted costs and reputational damage for the Council.	
CS.02	Fastershire delivery IF coverage and take up falls short of plans with the revised broadband strategy THEN premises will not be able to take up a service or make the most of investment in the fibre network effecting economic performance and community vitality.	
CS.03	New projects expectations and requirements IF insufficient capacity in procurement team to support due to increasing demand through new project and expectations THEN tender strategies and approaches may fall short of best practice and policy requirements.	
CS.04	Legal resourcing Inability to control external fees spend within allocated budget of £400k	

Reference	Description	Corporate Risk
CS.05	SARS Requests IF SARS requests continue to increase to the council THEN there will be increased workload for staff.	
CS.06	Access to the dentist If access to dentists remains a challenge in the county, then there is a risk to the work to improve oral health which includes messaging about visiting dentists for check-ups and access to fluoride varnish etc.	
CS.07	Covid impact on population health If due to Covid, people's health got worse, then we will increase inequalities and have a negative effect on the whole system.	
CS.08	Recruitment Strategy IF: the council is unable to recruit and retain the level and scale of staff required across the organisation due to inability to attract and/or an unsustainable employable local demographic THEN: there will be insufficient staff to meet service demands; an inability to progress service development; and a financial implication of using agency staff/contractors.	
CS.09	Cyber-attack IF: we do not protect against a potential cyber-attack THEN: we could be at risk of losing data in breach of principle 7 of the Data Protection Act which would lead to potential fines from the Information Commissioner Office and reputational damage	
CS.10	Council Redesign/Resources IF: Reducing resources in the form of grant, uncertainty and the requirement to deliver transformation at speed combine THEN: there will be a risk of failure to meet statutory and/or legal duties and powers.	
CS.11	Risk of Challenge If staff do not comply with the Contract Procedure Rules and Public Contract Regulations (2015) Then there could be a challenge to the contract award process which could result in a failure to uphold the law, reputational damage and impact	
CS.12	Procurement Support IF tenders are not adequately planned or resourced reflecting addition in grant funded projects and new escalated delivery THEN there may not be sufficient resources within the team to support the procurement process, which could result in delays to projects, inadequate application of best practice, potential for mistakes, business continuity issues and delivery of council goals.
