Date of decision:	13/05/2022
Decision maker:	Interim Service Director Transport and Highways, Environment and Waste (Traffic Manager designate)
Authority for delegated decision:	Economy and Environment, Highways and Transport 75: To act on behalf of the council in respect of the legislation specified in the foregoing: Highways Act 1980 Road Traffic Regulation Act 1984 The authorisation limit is within the financial procedure rules and is sufficient for the decision and that the officer has authority under the contract procedure rules.
Ward:	'Countywide'
Consultation:	Commercial Services Manager, Legal and Finance
Decision made:	Contract Award to ADL Traffic and Highways Engineering Ltd for 12 months
Reasons for decision:	Herefordshire Council have insourced the Traffic Management Team to enable the council to manage the network, decision link below. Decision - Future Delivery of Public Rights of Way (PROW) & Traffic Regulation Orders (TRO) - Herefordshire Council The Traffic Management team require consultant support to deliver the Traffic Regulation Orders, the contract enables the delivery.
Highlight any associated risks/finance/legal/equality considerations:	The budget is allocated in the 22/23 financial plan. The contract will mitigate legal risk and this will set out the terms and conditions. The BBLP / HC provider has been awarded the work to ensure continuity and delivery of Traffic Regulation Orders county wide for 22/23. A waiver has been agreed as the contract is with the previous service providers.
Details of any alternative options considered and rejected:	Not to award, this will put the council at risk of non-delivery of the Traffic Regulation Order Programme.
Details of any declarations of interest made:	None
