The additional toilet facility will also support hockey and the particular issues raised by Hereford Hockey club of accessing facilities.</p>
<p>Highlight any associated risks/finance/legal/considerations:</p>	<ul style="list-style-type: none"> • Delivery oversight – S106 is providing a contribution but works on-site will be fully managed by Hereford Leisure Centre. Herefordshire Council will provide oversight and assurance only in respect of the contribution made. • Cost variation – Project has an assigned budget which it cannot exceed. • Unforeseen events/costs – Potential unknown or unforeseen costs could lead to an overspend. The S106 contribution is finite, any overspend would need to be provided for the project.

Details of any alternative options considered and rejected:	<p>Not to fund.</p> <p>This option is not recommended. Not to approve would lead to delays in delivery of Section 106 projects.</p> <p>Alternative projects were not considered due to the specific requirements of the S106 agreement.</p>
