## **Annex 2 - Conditions consistent with the operating Schedule**

### **Licensing conditions / objectives**

#### General:

#### Public Entertainments Licence Conditions

The maximum number of persons admitted to the premises shall be: 90

The minimum number of visually identifiable stewards shall be: 2

#### General

1.1 In undertaking any or all of the conditions, the licensee(s) shall comply with all reasonable requests of the Police, the Fire Authority and the Licensing Authority's Officers.

1.2 The licensee(s) shall take all reasonable precautions to ensure the safety of the public, the performers and employees on the premises.

1.3 The licensee(s), or some responsible person nominated by him/her/them in writing for the purpose (who must not be a person under the age of 18) shall be present at the premises during the whole time that they are open to the public.

1.4 Such written nomination shall be available for inspection by the Licensing Authority's Officers at all times .

1.5 The licensee(s), or some responsible person nominated by him/her/them in writing for the

purpose, shall not be engaged on any duties that will prevent him/her from exercising general supervision.

#### Stewards and Door Supervisors

2.1 The number of stewards or door supervisors shall be specified by the Licensing Authority in the Schedule to the Licence relating to the premises.

2.2 The licensee(s), or some responsible person nominated by him/her/them in writing for the purpose, must ensure that the required number of stewards or door supervisors is present on the premises for the duration of the event and that they are clearly identifiable.

2.3 Where the Licensee(s) determines that the number of persons attending the premises for a particular event is less than the permitted maximum number, he/she/they may reduce the number of stewards or door supervisors that must be in attendance. When considering such reductions they shall calculate the number of stewards/door supervisors by using the following method:

For every 250 persons attending the event (or part of 250) there must be one steward/door supervisor.

In addition, where there are less than 100 persons on a floor or tier, one steward/door supervisor per floor.

Where the number exceeds 100, two stewards/door supervisor per floor .

2.4 The licensee(s), or some responsible person nominated by him/her/them in writing for the purpose, shall maintain a register of stewards or door supervisors kept on the premises showing the names and addresses of the stewards/door supervisors, and shall be signed by the stewards/door supervisors before the event commences.

2.5 The register is to be made available for inspection by Officers of the Fire Authority, Police or Licensing Authority.

2.6 The Licensee(s) shall inform the Licensing Authority if it is to use stewards as door supervisors (i.e. to decide upon the suitability of customers to be allowed onto those premises, and/or to maintain order, in addition to safety related functions). The Licensing Act 2003 requires that door supervisors must be licensed by the Security Industry Authority. For further details contact the Licensing Officer.

#### Dates and hours of opening

3.1 Premises licensed shall only be opened and used for any of the said purposes on such days or dates and during such hours as the premises licence permits.

#### Numbers of persons

4.1 The maximum number of persons permitted to use the premises, or any part of the premises, for any of the said purposes, shall be specified by the Licensing Authority in the premises licence relating to the premises.

4.2 The licensee(s) must ensure that the number of patrons attending on the premises does not exceed the permitted maximum number of persons as specified in the premise licence.

4.3 The premises shall not be used for a closely seated audience except in accordance with plans submitted by the Licensee(s) and approved by the Licensing Authority.

#### Powers of entry

5.1 Representatives of the Fire Authority and Police and authorised officers of the Licensing Authority shall be allowed at all times to enter the Licensed premises in order for them to execute their duties and in particular ensuring compliance with the these and any other relevant conditions.

#### Right to Modify

6.1 The Licensing Authority reserves the rights, from time to time, to exclude, modify, vary, or add to any of these conditions.

#### Special Conditions

7.1 The Licensing Authority may impose such special conditions, as it thinks fit, on the grant, renewal or variation of any Licence. Such special conditions will, if imposed, be contained within an annex attached to the licence.

#### Hypnotism

8.1 The Licensed premises shall not be used for any exhibition, demonstration or performance of hypnotism without the express written consent of the Licensing Authority and in accordance with any conditions attached to such consent. The special conditions relating to the regulation of exhibitions, demonstrations or performances of hypnotism are available on request.

#### Noise from Entertainment

9.1 The Licensee(s) shall have regard to the effects of sound levels from any amplified sound systems used in connection with an event(s) and shall take all reasonable steps to minimise the chances of complaints arising .

#### Conduct at Premises

10.1 Public order shall be maintained on the premises during the entertainment and the behaviour of any patrons attending functions must not be permitted to present a danger or threat to order.

10.2 The licensee(s) must, as far as is reasonably possible, ensure that patrons leaving the premises do so in an orderly manner and that they do not cause annoyance/disturbance to occupiers of premises in the vicinity which is likely to give rise to complaint.

10.3 No disorderly conduct shall be permitted at the Licensed premises, or any exhibition, recitation, acting, singing or dancing which is of an obscene character or is offensive.

10.4 No unlawful lottery or game shall be permitted at the licensed premises.

#### Maintenance, Repair and Cleanliness

11.1 All parts of the premises and all fixtures and fittings therein including seating, door fastenings, notices, floors, carpets and furniture shall be kept clean and maintained in good order.

11.2 A suitable number of waste bins with close fitting lids shall be provided for housing any waste generated at the premises.

11.3 No rubbish or waste paper shall be stored or allowed to accumulate in any part of the premises.

11.4 The licensee(s) must be able to demonstrate at all times compliance with the appropriate safety standards and shall at the request of the Licensing Authority produce for inspection, certificates issued by a suitably qualified person for matters that might include stage safety, lifts, balconies, projection equipment, ceilings, heating and ventilation.

#### Alterations

12.1 Any alterations or additions to the premises whether permanent or temporary, shall be notified to the Licensing Authority prior to the premises being used. Depending upon the circumstances, it may be necessary to make an application for a variation of Premises Licence or a Temporary Events Notice where, for example, a marquee is to be erected or an increase in the number of patrons is sought for a one-off event.

12.2 In the event of emergency repairs being carried out, the Licensing Authority shall be notified immediately. This includes any work on heating, lighting or cooking equipment.

#### Washing and Sanitary Facilities

13.1 Adequate and separate washing and sanitary conveniences shall be provided and maintained for persons of each sex to the satisfaction of the Licensing Authority and shall comply with BS6565:1994 or such other standards as the Licensing Authority may determine in writing .

#### Electrical Installations

14.1 All electric fittings, wiring, and appliances shall be constructed and maintained in a safe condition and to the satisfaction of the Licensing Authority. Any temporary wiring or telecommunications must be safely installed and securely fixed and not present a tripping hazard.

14.2 Unless a determination has been made by an approved electrical contractor and agreed by the Licensing Authority, to the contrary, a periodic inspection of the electrical systems serving the premises shall be carried out by an approved electrical contractor (with reference to and undertaken in accordance with British Standard 7671:1992, and its amendments), at least annually.

14.3 The results and extent of a Periodic Inspection and Testing on an installation, or any part thereof, in accordance with Chapter 73 of BS7671:1992, shall be recorded on a report by the person carrying out the inspection, and the report shall be provided to the Licensing Authority using the form prescribed by them (reference PEL/PIR1).

14.4 Any matters regarded as requiring action in order to satisfy British Standard 7671:1992, shall be carried out within a timescale given in writing by the contractor.

#### Residual Circuit Devices

15.1 All portable electrical equipment shall be powered through a sensitive earth leakage protection system (residual current device) having a rated residual operating current not exceeding 30 milliamps and a maximum operating limit of 30 milliseconds.

15.2 The residual circuit device shall be tested on a regular basis in accordance with the manufacturers instructions.

#### Lighting

16.1 Lighting levels inside and, where appropriate, outside the premises, shall be adequately lit during the whole time the premises are being used for any of the said purposes, so as to enable the public to access, egress and move about the premises safely. Subdued levels of lighting shall be permitted only where safety is not compromised and only whilst the entertainment is in progress.

16.2 All parts of the premises especially all passages, courts, corridors and stairways to which the public have access and which lead to the outside of the premises must, in the absence of adequate daylight, be illuminated by the general lighting when the public are present. The general lighting shall be provided by electricity.

16.3 If there is a failure of the general lighting and is not restored within thirty minutes, so that the public cannot access, egress and move about the premises safely, the event shall be terminated and the public evacuated from the premises at the end of that period.

#### First Aid

17.1 Suitable first aid equipment shall be provided and maintained in an accessible position on the premises.

#### Accidents

18.1 Any injury to any person whilst at the licensed premises, which results in hospital treatment becoming necessary, shall be reported to the Licensing Authority within 24 hours of the injury occurring with details confirmed in writing within a further seven days .

#### Compliance with the Fire Authoritys Requirements and Recommendations

19.1 The licensee(s) is responsible at all times for ensuring the safety of public in attendance in the event of fire or other such emergency.

19.2 The licensee(s) shall, unless agreed otherwise in writing with the Licensing Authority, implement in full the requirements and recommendations (if any) of the Fire Authority as detailed in its inspection report before any public entertainment is held within the premises to which the licence relates and shall thereafter promptly implement any further recommendations of the Fire Authority from time to time.

19.3 The Licensee(s) shall comply with any reasonable fire prevention and safety measures that may be required of him/her/them by the Fire Authority or Licensing Authority.

#### Means of Escape

20.1 Adequate means of escape shall be provided and maintained to the satisfaction of the Licensing Authority and Fire Authority.

#### Reporting of Fires

21.1 A written fire and emergency evacuation procedure shall be established and maintained to the satisfaction of the Licensing Authority and Fire Authority.

21.2 Any outbreaks of fire, however slight, whilst the premises are open for public entertainment, must be reported immediately to the Fire Service by dialling 999.

21.3 A notice giving instructions on how to call the Fire Service and indicating the nearest available public telephones shall be prominently displayed in the premises.

#### Fire Procedure

22.1 The Licensee(s) (or nominated representative) shall supervise the escape of persons in the event of fire or other such emergency.

22.2 The Licensee(s) (or nominated representative) will arrange for the fire procedure to be practised by all staff and other attendants at least twice each calendar year and upon employment of new staff.

#### Log Book

23.1 The licensee(s) shall keep a Log Book, and produce for inspection at the request of an authorised officer of the Police, Licensing Authority, or Fire Authority.

23.2 The Log Book shall record the date, time and result of each of the following tests or inspections and be signed by the person responsible:-

- a. inspections by authorised officers of the Licensing Authority, the Fire Authority and the Police;
- b. Fire equipment tests;
- c. Emergency lighting tests;
- d. Fire alarm tests;
- e. Staff fire prevention and emergency procedure training;
- f. Dates and times of practices of the fire procedures and details of the persons taking part.

#### Access for Fire Appliances

24.1 The licensee(s) (or nominated person) should be able to satisfy the Licensing Authority and Fire Authority, when required, that external access can be effectively provided for Fire

Authority appliances. The licensee(s) (or nominated person) must ensure that vehicles do not obstruct such access.

#### Fire fighting equipment

25.1 Suitable and sufficient fire fighting equipment shall be maintained to the satisfaction of the Licensing Authority, shall be provided in the premises, located in suitable positions, available for instant use and have been serviced within the last twelve months.

#### Exit Routes and Exit Route Notices

26.1 All exits and exit routes shall be clearly indicated by graphic symbols complying with British Standard 5499:1990 Part I. All such notices and routes shall be subject to the approval of the Licensing Authority and Fire Authority and shall be adequately illuminated and linked to an emergency lighting system.

#### Exit Doors

27.1 The number, size and position of exit doors, gangways and passageways shall be to the satisfaction of the Licensing Authority and the Fire Authority.

27.2 All exit doors and all passageways, gangways, steps and stairways affording access thereto shall be properly maintained and shall be kept entirely free from obstruction and combustible storage at all times in order to allow safe egress from the building.

27.3 Before the public are admitted to any entertainment, the licensee(s) (or nominated person) shall ensure that all exits are unlocked, available for use and that:-

27.4 All exit doors that do not open in the direction of exit e.g. sliding doors, gates and shutters, must be secured in the open position where necessary and suitably signed;

27.5 All removable fastenings, if any, have been removed from other exit doors, gates and shutters and placed in a secure place;

27.6 All panic bolts, if any, have been tested and are in good working order;

27.7 Automatic bolts shall be of such a pattern that horizontal pressure on the cross-bars will open the doors. The cross-bars shall, where practicable, be placed at a height one metre from the bottom of the door. Doors fitted with automatic bolts shall have the words 'PUSH BAR TO OPEN' painted upon them in block letters at least 100mm high.

#### Furniture and Fittings

28.1 Fire resisting doors, walls and associated self-closing devices, ceilings and floors shall be kept in a satisfactory state of repair.

28.2 The licensee(s) shall comply with any reasonable requirement of the Fire Authority with regard to the provision and maintenance of surface finishings on walls, ceilings and partitions, floor coverings and upholstered furniture within the premises and shall allow the Fire Authority to test any furniture, equipment, fittings and similar items, if requested.

28.3 Curtains covering exit doors or across gangways shall be made to part in the centre and shall not obstruct exit signs, emergency lights and manual call points. They shall hang so as to be readily drawn aside and should be at least 100mm above floor level.

28.4 Curtains, safety curtains, hangings, decorations and fabrics shall be inherently flame retardant and comply the relevant British Standards. Those not inherently retardant must be suitably treated to achieve the same standard.

#### Mats and Floor Coverings

29.1 Matting and other floor coverings must be secured in such a manner as not to constitute a danger.

#### Smoking

30.1 There shall be no smoking in any stage/backstage area except so far as may be necessary on stage in connection with a live performance.

#### Explosive and Flammable Substances

31.1 Lamps burning paraffin or other mineral oils shall not be used.

31.2 Any naked light shall be protected by means of an efficient glass or wire globe.

31.3 Gas cylinders, whether natural or liquefied, shall not be used unless the installation is housed externally and fixed pipework is used. Any gas taps shall be secured so far as possible against unauthorised access and flexible piping shall not be used.

31.4 No explosive or highly flammable substance shall be brought into or used on the premises other than an approved supply of mains gas or controlled LPG fuel.

#### Ventilation/Heating

32.1 The premises shall be kept properly and sufficiently ventilated and heated to the satisfaction of the Licensing Authority. All equipment shall be maintained in a proper working condition and any fuel stored in a safe manner.

32.2 Stoves, open fires and heating appliances shall be effectively fixed and guarded.

33.3 Cylinders or containers of gas under pressure, other than Cellar Gases, shall not be used on the premises except with the prior consent of the Licensing Authority.

33.4 The use of portable cooking or heating appliances shall be subject to the prior consent of the Licensing Authority.

#### Special Effects

34.1 The installation and use of laser beams, pyrotechnics or real flames, explosive or highly flammable or smoke producing agent, for any purpose shall not be permitted without specific written consent of the Licensing Authority. Application for consent, together with a detailed description of the method of use, should be made to the Licensing Authority not less than 14 days prior to the day on which the laser equipment is to be used.

34.2 Strobe lights shall be operated on a fixed rate of not more than four flashes per second. Where more than one strobe light is used, the flashes shall be synchronised. In any case, such lights shall not be installed without the prior written approval of the Licensing Authority.

34.3 Any lighting or approved special effects shall be installed and maintained by a competent person.

34.4 The use of foam shall not be permitted unless with the prior written approval of the Licensing Authority.

#### Outbreak of Fire

35.1 Notices shall be displayed detailing the action to be taken in case of fire, in the position of the nearest telephone and the method of calling the Fire Authority.

#### Emergency Lighting

36.1 In addition to general lighting, adequate emergency lighting must be provided to enable members of the public to see their way out of the premises without assistance from the general lighting. Such emergency lighting must be kept lit in the hall, passages and stairways during the time while the premises are open to the public, or be designed so as to illuminate these areas automatically and immediately in the event of the failure of the general lighting system.

The lighting to EXIT or WAY OUT signs shall not in any circumstances be extinguished or dimmed while the public is on the premises. The emergency lighting must comply with British Standard BS 5266:1988, Part 1.

36.2 Emergency lighting and all hand lamps shall be maintained in efficient working order and shall be checked weekly. All batteries shall be maintained or changed in accordance with the manufacturers recommendations.

36.3 All switches controlling the emergency lighting shall have marked immediately below them 'Emergency Lighting Only' and be situated in a position inaccessible to unauthorised persons or protected against unauthorised operation.

36.4 No entertainment shall take place until the emergency lighting has been tested and found to be fully operative.

36.5 The licensee(s) (or nominated person) shall ensure that in the event of the failure of an emergency lighting system, members of the public are instructed to leave the premises immediately and not readmitted until the system is operable.

#### People with disabilities

37.1 On those occasions when people with disabilities are present on the premises the licensee(s) shall make an assessment so as to enable all people to leave the premises safely in the event of an emergency. Advice can be sought from the Fire Authority.

#### Gas Meter and Electrical Intake Enclosures

38.1 Any gas meter or electricity meter enclosure provided shall be used exclusively for the accommodation of the meter and its connections and the area around the equipment, whether enclosed or not, shall be kept clear and unobstructed.

#### Gas Appliances

39.1 Any and all gas appliances used in the premises must be regularly and properly maintained by a competent person in accordance with the manufacturers instruction and recommendations at least annually and a record of any such maintenance be kept at the premises and be available for inspection by the Licensing Authority.

#### General:

The house has operated without problems with due regard to the new four licensing objectives. We do not expect the extra hours requested will have an adverse effect on this and therefore do not see the need to introduce any extra measures.

The premises will continue to operate with the current public entertainment licence conditions.

#### **Prevention of Crime:**

Engage in recognised local groups such as Pub-Watch and liaise with local police.

Staff induction will include training on dealing with conflict situations.

Providing a 30 and or 60 minute 'wind down' period to sales hours will encourage the last drinks to be consumed less quickly, avoiding 'The Binge' also access to pub toilets.
