Subject: RE: Memo - Variation of a Premises Licence - Talbot, Ledbury

As ward councillor for the Talbot I am supportive of businesses in the ward and appreciate efforts to increase trade within the hospitality sector. However I cannot support this licence variation for the following reason: Prevention of Public Nuisance.

Given the proximity of the Talbot to residential properties (including residential home) it is likely that outside playing of live or amplified music will likely result in complaints to Environmental Health on noise nuisance grounds.

Kind regards,

Herefordshire.gov.uk

Cllr Stef Simmons
