

### **Chief Executive Scheme of Delegation to Officers**

1. To support the council's intention that decision taking should be delegated in the interests of speed, and consistent with democratic accountability and openness, the constitution delegate's officer decision making to the chief executive.
2. The chief executive is unable to take all decisions personally and this scheme of delegation sets out: who the chief executive has authorised to take decisions or fulfil specified proper officer functions on their behalf; and the framework in which those delegations may be exercised.
3. It remains open to the officer making the delegation to call back a matter for their own determination, and for the decision maker to refer a matter back to the officer who delegated it to them.

### **General delegations**

4. The table at appendix 1 identifies which senior managers the chief executive has authorised to take executive (non-key), or non-executive decisions on their behalf, and the service areas their authority extends to.
5. Each senior manager identified in appendix 1 has delegated to them power to act on behalf of the council in relation to any incidental operational matters within the service areas for which they are responsible, including spending decisions, subject to the following overriding provision:
6. Any action taken under delegated powers shall be in accordance with:
  - i. the overall policies approved by full Council, the Cabinet or a committee;
  - ii. the provisions of the constitution, including the contract and financial procedure rules;
  - iii. no contracts, of any value, may be approved or authorised below the level of Service Director
  - iv. human resources policies and procedures;
  - v. approved capital and revenue budgets; and
  - vi. the requirements of the relevant legislation.
7. In exercising delegated authority, decision makers will:
  - be clear about what the council wants to happen, how it will be achieved, who is accountable for the decision and who is accountable for implementing it and monitoring implementation;
  - consult properly and have regard to the professional advice from the council's officers;
  - have regard to the public sector equality duty and respect for natural justice and human rights;
  - make the decision public unless there are good reasons for it not to be;
  - give due weight to all material considerations, only take relevant matters into account, and make sure the action is proportionate to what the council wants to happen;
  - explain what options were considered and give the reasons for the decision; and

- follow proper procedures.
8. Without prejudice to these delegations, senior managers are expected to have regard to any resolution of full Council, Cabinet, relevant cabinet member or committee, on any matter of principle or policy relating to the power being exercised and shall, as appropriate:
    - a) maintain a close liaison with the relevant cabinet member(s), or in their absence the Leader;
    - b) ensure that the local member is consulted on, or advised of the exercise of delegated powers;
    - c) ensure that the Monitoring Officer and Chief Finance Officer are consulted and advised of any decisions as necessary; and
    - d) ensure that corporate leadership team is consulted and advised where appropriate in relation to cross service issues

### **Staff**

9. Subject to the provisions of the council's employment rules, each senior manager identified in appendix 1 is authorised to act in relation to the appointment of staff within approved budgets, in accordance with the personnel policies and procedures of the council.
10. Subject to the provisions of the council's employment rules, each senior manager identified in appendix 1 is authorised to act in relation to the dismissal of staff in accordance with the personnel policies and procedures of the council.
11. Subject to the provisions of the council's employment rules, each senior manager identified in appendix 1 is authorised to make variations in establishment using grades approved in accordance with the council's personnel policies and procedures, and to determine all other matters relating to the employment of staff, within approved budgets and in accordance with the personnel policies and procedures of the council.

### **Emergencies**

12. Where the chief executive or corporate directors are operating under the council's emergency management procedures (or silver and gold officers as listed below in the absence of the chief executive and all directors) and believes that there is a risk of damage to property, a threat to the health or wellbeing of an individual, or that the interests of the council may be compromised they are authorised to take 'all necessary decisions' to take such action as is necessary within the law to protect life, health, safety, the economic, social or environmental wellbeing of the county, its communities and individuals living, working or visiting, and to preserve property belonging to the council or others.
13. Before exercising this delegated authority any officer shall use their best endeavours if, in their opinion, time or circumstances permit, to consult the Leader, or, in their absence, the appropriate cabinet member, and the chairman of the relevant scrutiny committee and in any case, inform them of their actions as soon as practicable.

## Chief executive scheme of delegation – updated 22 November 2022

14. Where the delegated powers in paragraph 12 above are exercised, contract and financial procedure rules are deemed to be waived for that purpose.
15. Any action taken under the powers delegated above will be reported to the chief executive at the earliest opportunity. All emergency decision taken by officers are reported to full Council at the next meeting, including the extent to which it has been necessary to operate outside the contract and financial procedure rules.

### **Indemnity**

16. The Council will provide an indemnity (in accordance with SI 2004/3082) to any of their members, employees, former members and former employees relating to any neglect, act, error or omission committed by them as they undertook their duties which were authorised by the Council or arose from powers conferred or duties placed on the member or employee at the request of or with approval of the Council. This indemnity shall include when they are acting for other persons or bodies with the Council's consent. The indemnity will include costs awarded and reasonable costs incurred.
17. For the avoidance of doubt this indemnity will only apply for former members and employees in respect of acts and omissions whilst they were members or employees of the council
18. The indemnity will not extend to loss or damage directly or indirectly caused by or arising from:
  - (a) fraud, dishonesty or a criminal offence on the part of the employee; or
  - (b) any neglect, error or omission by the employee other than in the course of his duties; or
  - (c) Activities which are “ultra vires”, that is to say outside the powers of the council, save to the extent that at the time of the activity concerned the individual truly and reasonably believed that the activity was intra vires, i.e. within the legal powers of the council; or
  - (d) liability in respect of losses certified by the auditor caused by willful misconduct
19. The council will not usually itself make claims against its employees for any loss or damage as a result of the officers' actions, unless claims fall within the cover provided to its employees under any policy of insurance taken out by the council or any motor vehicle insurance policy taken out by the employee. In the case of criminal proceedings, if the officer in question is convicted of a criminal offence and that conviction is not overturned following any appeal reimbursement will be sought.
20. This indemnity will not cover the making by a member or employee of any claim. This indemnity will however include an indemnity for the defence by a member or employee in any claim where their actions whilst acting on behalf of the council are challenged.
21. The indemnity will not apply if an employee admits liability, negotiates or attempts to negotiate a settlement of any claim that falls within the scope of this

indemnity, without the written authority of the Council. The indemnity will also not apply where there is evidence that the employee had acted with reckless disregard for the consequences.

22. The indemnity is without prejudice to the right of the Council to take or start disciplinary action against an employee in respect of any neglect, act, error or omission.

### **Sub delegation**

23. Where a director is absent from the workplace for any period of time that requires others to exercise delegated authority in that officer's absence, another officer should be nominated in writing, the nomination be approved by the chief executive and forwarded to the governance team. Nominated officers must be HoS2 pay grade or above and the level of financial delegation being made shall be specified in the nomination.
24. Each of the three corporate directors and those directors in the corporate centre shall maintain a directorate scheme of delegation specifying specific delegations relevant to the service.
