Decision title:	Grant wayleave to National Grid (NGED) over Mill Street Carpark, Kington to facilitate the Installation, Connection and Operation of EV Charging Points
Date of decision:	04/06/2024
Decision maker:	Strategic Assets Delivery Director
Authority for delegated decision:	Corporate Services' scheme of delegation dated July 2023 updated August 2023 (line 35) gives the Strategic Assets Delivery Director the authority to take the decision
Ward:	Kington
Consultation:	Sustainability and Climate Change Legal
Decision made:	Grant wayleave to NGED over Mill Street Carpark, Kington to facilitate the Installation, Connection and Operation of EV Charging Points
Reasons for decision:	<p>A concession contract is in place with an EV charging point provider to install and operate EV Charging points at various Herefordshire Council owned locations.</p> <p>Mill Street, Kington was identified in the concession contract as a location for the EV charging points.</p> <p>The charging point provider has requested to commence installation of the charging points.</p> <p>Additional power supply is needed for the operation of the EV charging points and NGED are required to install these. A wayleave is required by NGED to ensure that they have access to their apparatus in the future.</p>
Highlight any associated risks/finance/legal/equality considerations:	None.
Details of any alternative options considered and rejected:	No suitable alternatives were proposed, a concession contract is in place with the EV charging points provider.
Details of any declarations of interest made:	None
