The scheme enables people living in the UK to offer accommodation in their own homes or property they own to individuals and families displaced from the Ukraine due to the war with Russia. As the war continues in the Ukraine the grant which funds support and activities for those who have relocated to the county continues to play an important role in community integration. The award of grants to the above organisations is in line with the Decision to extend Support for Ukraine Community Integration Grant Scheme funded through the Homes for Ukraine Sponsorship Scheme made on 15/10/24.</p> <p>The applications have been appraised by a panel and applicants asked to amend their applications if necessary. Once agreement is reached an offer letter is signed by the Senior Responsible Offer and sent to the applicant.</p> |
| <p>Equality Considerations</p> | <p>The community integration grant scheme seeks to foster good relations between people already living in Herefordshire and people from the Ukraine as they resettle. The aims of the grant scheme for round three are to:</p> <ol style="list-style-type: none"> 1. Ensure that Ukrainian guests feel welcome, safe and supported in Herefordshire 2. Support hosting individuals and families to feel confident in supporting their guests 3. Sustain the relationship between hosts and guests 4. Support access to education, training and employment 5. Support Ukrainians to achieve independent living and sustainable housing in Herefordshire 6. Support vulnerable Ukrainians to overcome barriers to successful integration. |
