SUPPLEMENT: Proposed amendment to Motion 2 – Agricultural Property Relief

Proposer: Cllr James Seconded: Cllr Proctor

Council therefore resolves to:

- **To express its deep regret for its short-sighted decision to dispose of council-owned farms which had provided the only realistic path into farming for so many young people in our county.**

Request the Chief Executive write to:

- **The Secretary of State for Environment, Food and Rural Affairs and the Chancellor to outline the Council's concern at the short-sighted decision to change both Agricultural Property Relief and Business Property Relief without proper consultation and sufficient scrutiny of the long term and immediate consequences on the rural economy.**
- **The Herefordshire National Farmers Union to note the Council's opposition to the Family Farm Tax and to confirm our wider support for a sustainable multigenerational agricultural economy.**
