Purpose

To consider the draft work programme for Herefordshire Council's Children and Young People Scrutiny Committee for the municipal year 2025-26.

Recommendation(s)

That:

- a) The committee agree the draft work programme for the Children and Young People Scrutiny Committee contained in the work programme report attached as appendix 1, which will be subject to monthly review, as the basis of their primary focus for the remainder of the municipal year.**

Alternative options

1. The committee could decline to agree a work programme for its future committee meetings. This would likely result in unstructured and purposeless meetings.
2. The committee could also decline to identify areas of potential collaboration or alignment of work with other committees. This could result in duplication or overlap of work.

Key considerations

3. A fundamental part of good scrutiny is planning and agreeing a programme of work for the committee to undertake. A well-considered work programme:

- a. identifies priorities for the committee's work that align with corporate and partnership priorities, as well as reflecting community concern;
 - b. ensures that each identified topic has clear objectives that focus the committee's work;
 - c. creates a timetable for the committee's programme of work so that the committee carry out its work at the optimal time; and
 - d. provides officers and partners with requirements for evidence that will support the committee in providing evidence-based scrutiny
4. Herefordshire Council has recently concluded a review of its scrutiny function. Although the recommendations from this review had not yet been formally endorsed by Council at the time of publication, work is underway to implement some of the review's findings. Central to the review was a recommendation for the council's scrutiny's committees to reorient their programmes of work towards more informal ways of working.
5. Accordingly, the committee's current programme is agreed to September 2025 and attached as Appendix 1. Within this programme is a proposal to carry out a task and finish group to look at all form of pastoral, community and social care support (otherwise known as early help) for children, young people, and families in Herefordshire. The committee will consider a terms of reference for this work at its meeting in June. Whether or not it agrees to carry out this work will determine much of the committee's work programme after September 2025. Accordingly it is proposed to table a revised work programme for this committee at its next meeting in June 2025.
6. Attached as Appendix 2 to this report is the council's most recently published forward plan of key decisions.

Community impact

7. Effective scrutiny enables the committee to reflect community concern, one of the four purposes of scrutiny as outlined by the Centre for Governance and Scrutiny.

Environmental impact

8. This report contains no direct environmental impacts. However the work that the committee will undertake resulting from agreeing this work programme may have direct impacts. Reports arising from or supporting this work will outline their potential environmental impact.

Equality duty

9. The public sector equality duty (specific duty) requires us to consider how we can positively contribute to the advancement of equality and good relations, and demonstrate that we are paying 'due regard' in our decision making in the design of policies and in the delivery of services. This report contains no direct equality impacts. However the reports and issues that the committee will consider may have direct impacts. Reports arising from or supporting this work will outline the any associated equality impacts for committee consideration.

Resource implications

10. This report constitutes part of the typical function of this committee. Similarly, a programme of work undertaken by committee is an integral part of the council's 'business as usual'. There is no resource implication in setting or agreeing a work programme. However agreed topics in the work programme, in particular any requests for bespoke research or the involvement of outside

experts or community groups, may incur resource costs. These will be contained in any reporting or planning of agreed topics within this work programme.

Legal implications

11. The remit of the scrutiny committee is set out in part 3 section 4 of the constitution and the role of the scrutiny committee is set out in part 2 article 6 of the constitution.
12. The Local Government Act 2000 requires the council to deliver the scrutiny function.

Risk management

13. There are no risks identified in the committee agreeing an effective and timely programme of work. However there is a risk to the council's reputation if committees fail to set a work programme, or set a programme of work that does not address local authority, partnership or community priorities.

Consultees

14. In drafting this work programme, consideration has been given to:
 - a. The previous work of scrutiny committees;
 - b. Priorities suggested by members of the committee; and
 - c. Work with Herefordshire Council officers to develop topics and agree optimum timings to bring items for consideration.
15. This work programme is subject to ongoing review, which may involve additional consultees.
