<b>Highlight any associated risks/finance/legal/equality considerations:</b>	<p>Finance:</p> <p>Under the selection process for the framework, Officers have used the quotation information provided which shows that the total of the prices of Tarmac Trading Ltd is likely to be significantly lower than the other Suppliers on the Framework based upon the quotation information submitted within the framework tender and therefore this Supplier gives the council good value for money.</p> <p>Of the budget, £4,533,160.06 has already been committed for the delivery of resurfacing works and as a result of this decision, a further £3,258,460.72 will be committed.</p> <table><tr><td>Budget</td><td>Available Budget</td><td>Budget for contract</td><td>Cost Code</td></tr><tr><td>Resurfacing Herefordshire Highways</td><td>£5.4m</td><td>£3,258,460.72</td><td>CM7361 CAP1905</td></tr><tr><td>Contingency</td><td></td><td>£325,846.07</td><td>CM7361 CAP1905</td></tr><tr><td>Total</td><td>£5.4m</td><td>£3,584,306.79</td><td></td></tr></table> <p>Risk Management:</p> <p>The creation of a framework has contributed to minimising risks associated with procurement delay, supply chain resilience and demonstrating competition and value for money for the public purse. The identified works should reduce the risk to users on the network as a result of improved condition.</p> <p>Legal Implications:</p> <p>A procurement process to create a Highways and Public Realm Schemes Framework was conducted during January and February 2024 in accordance with the Council’s Contracts Procedure Rules.</p> <p>The framework is operated under the NEC4 Framework Contract arrangements with NEC4 Engineering and Construction Short Contracts used for delivery of individual schemes.</p>	Budget	Available Budget	Budget for contract	Cost Code	Resurfacing Herefordshire Highways	£5.4m	£3,258,460.72	CM7361 CAP1905	Contingency		£325,846.07	CM7361 CAP1905	Total	£5.4m	£3,584,306.79
