Hi

Thanks for your email.

Given the Schedule of works is overdue and there are still outstanding actions required to be completed to satisfy the schedule of works, HWFRS's comments remain the same.

Although HWFRS acknowledge some actions have been completed, albeit submitted very last minute, we have been unable to review the documents sufficiently prior to today's licensing review hearing.

Regards  
Charly

OFFICIAL

Hi

In Charly's absence, this came in at 06:13 this morning in relation to your comments  
Is there anything you want to add? (I have attached her comments)

Thanks
