Subject: Subject: Representation regarding Premises License Application - Falafel Hereford Ltd, 26 Commercial Street, Hereford

Dear Licensing Section,

I am writing to formally object to the application for a premises license for Falafel Hereford Ltd at 26 Commercial Street.

As a resident living directly above the property, I am deeply concerned about the proposed late-night refreshment hours, which are until 2 am Monday to Thursday and 3 am Friday to Sunday.

These hours are excessive for a mixed-use building and will lead to an unacceptable increase in noise, disturbance, and the potential for anti-social behavior late at night. This will severely impact my quality of life and the quiet enjoyment of my home.

I request that this application be refused.

[REDACTED]

Sincerely,
[REDACTED]

Dear Sir/Madam,

I am writing to bring to your attention a matter concerning noise disturbance from the premises below my residence. Attached is a video recorded at approximately 10:30 p.m., which captures the significant volume of music emanating from the shop, audible within my flat.

The management has recently proposed extending the operating hours of the establishment until 2–3 a.m., and I am concerned that this change may exacerbate the noise issue, further impacting my quality of life and potentially affecting my mental well-being.

Also with respect, I would like to say restaurants and takeaways such as McDonald's, Pepe's, and Burger King all close by 11:00 p.m., which appears to help mitigate concerns regarding antisocial behavior associated with late-night operating hours. I sincerely hope you will consider these matters in your deliberations.

Kind regards,
