

Questions from members of the public – Scrutiny Management Board, 12 October 2026

Question Number	Questioner	Question	Question to
PQ 1	Mr Peter McKay, Leominster	In July I suggested two aspects of our highway records be a topic subject of scrutiny, and have been informed has been passed to scrutiny officer, but seeing no mention of public suggestion in agenda, I enquire if is under consideration ?	Scrutiny Management Board Chair
Response: <i>Many thanks for your question. The Environment and Sustainability Scrutiny Committee is responsible for scrutinising public rights of way. Your suggestion will be considered by that committee when it reviews its future work programme at its next meeting on 2 December 2026.</i> <i>Ahead of that meeting, the committee chair will speak with the officers responsible for managing public rights of way in Herefordshire to better understand the issue you have raised.</i>
