Appendix 1

Public Entertainment's Special Conditions

1. Police & Fire Officer Recommendations

To comply with any recommendations made by the police or the fire officer in particular the number of stewards specified.

2. Car Parking

Adequate car parking facilities shall be made available to the satisfaction of the Licensing Authority, with stewards being appointed where necessary to control car parking arrangements.

3. Measures to minimise noise nuisance

The Licensee(s) shall make contact with the Environmental Health Pollution Area Manager before the event commences and discuss with him measures required to prevent noise nuisance occurring. Those measures shall be agreed with the Area Manager and implemented before and during the event.

4. Notification of event to nearby residents

The Licensee(s) shall take all reasonable steps to ensure that any residents who may be affected by noise emanating from the event or disturbed by vehicles entering and/or leaving the event, are given sufficient information regarding the event and such information shall be to the satisfaction of the Environmental Health Pollution Area Manager.

5. Means of contacting the Licensee(s) during the event

The telephone number of a licensee or some other nominated person who has control of the event shall be given to the Environmental Health Pollution Area Manager before the event commences and that person(s) shall be contactable during the course of the event.

6. Electrical Certificates

An electrical certificate shall be forwarded to the Licensing Officer before the event commences. An inspection should take place prior to the event by a competent electrician to determine whether the electrical installation conforms to legal and any industry-recognised standards. A certificate should be provided to this effect. If a generator is to be used appropriate safety Certificates shall be forwarded prior to the event.
