

REPORT OF THE STRATEGIC MONITORING COMMITTEE

Meeting Held on 15th April, 2005

Membership:

Councillors: T.M. James (Chairman), Mrs. P.A. Andrews (Vice-Chairman), B.F. Ashton, W.L.S. Bowen, A.C.R. Chappell, J.H.R. Goodwin, Mrs M.D. Lloyd-Hayes, J. Stone, J.P. Thomas, W.J.S. Thomas.

DEVELOPING THE CHILDREN'S AGENDA IN HEREFORDSHIRE – CHANGE FOR CHILDREN

1. The Committee currently has responsibility for the scrutiny of the Executive's implementation of arrangements for Children's Services in response to the Children Act 2004. It has received an update on progress in implementing the nationally required changes within the County.

ANNUAL EFFICIENCY STATEMENT

2. The Committee has noted the Annual Efficiency Statement, setting out the approach to making efficiency savings as required by the Audit Commission.
3. It has been advised how important it is for the Council both to secure efficiency gains and then to ensure that the resources released are directed to the Council's agreed priorities. Whilst efficiencies have been made since the Council's formation, the tendency has been for resources released as a result to be used simply to augment expenditure on the service area which generated the saving, rather than being reallocated to the Council's overall priorities. The Committee has been assured that it is expected that the new Corporate Planning arrangements will help strengthen the process for allocating resources released from efficiency gains and re-directing them to the Council's agreed priorities, although it has been acknowledged that further work on the process is needed.

RISK MANAGEMENT REPORT YEAR END 2004/2005

4. The Committee has noted the Risk Management Report, which summarises the key risks faced by the Council.

STRATEGIC AUDIT PLAN 2005/06 –2008/09

5. The Committee has noted the process used to develop the Strategic Audit Plan for 2005/06 and the Annual Audit Plan 2005/06.

PERFORMANCE MONITORING – CORPORATE HEALTH

6. In noting the report on corporate performance in relation to Best Value Indicators the Committee has welcomed the success in increasing the take-up of benefits by those entitled to them. As well as being important that individuals receive the benefits to which they were entitled, establishing the correct level of need in the County is important for the County as a whole in securing appropriate recognition in the Government's financial settlement.
7. Further to the Committee's report to Council in January the Committee has been informed that the new benefits processing system is in place and that, as expected, there have been some teething problems. It has been advised that these are being overcome and the new system will enable a more effective service to be delivered.

REVENUE AND CAPITAL BUDGET MONITORING

8. The Committee has noted the revenue and capital budget monitoring reports.

WORK PROGRAMMES

9. The Committee has considered its Work Programme and the Work Programmes of the other Scrutiny Committees. A scrutiny event is to be arranged in June for Scrutiny Committee Members to enable Members to shape the work programmes taking account amongst other things of the priorities in the Council's Annual Operating Plan. The need to build in arrangements for considering items of concern raised at Local Area Forums has also been recognised.

ISSUES CONSIDERED BY THE INDIVIDUAL SCRUTINY COMMITTEES

10. The work of the Committees is analysed below as far as practicable under the following five roles for overview and scrutiny: holding the executive to account, best value reviews, policy development and review, external scrutiny, and improvement (performance management and review), the first four of which are identified as key roles in report on "The Development of Overview and Scrutiny in Local Government published by the Office of the Deputy Prime Minister". Issues considered by the Strategic Monitoring Committee not all of which are dealt with above because they arise from its role in fulfilling its remit to scrutinise the Policy and Finance Programme area, rather than being of Council-wide significance, are listed for completeness.
