## NOTES

**Guidance issued under section 182 of the Licensing Act 2003, Section S18(7)****Relevant, vexatious and frivolous representations**

- 5.73 A representation would only be "relevant" if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives....
- 5.75 It is for the licensing authority to determine on its merits whether any representation by an interested party is frivolous or vexatious....

The licensing authority must determine this and make the decision on the basis of what might ordinarily be considered to be vexatious or frivolous. Vexation may arise because of disputes between rival businesses and local knowledge will therefore be invaluable in considering such matters. Frivolous representations would be essentially categorised by a lack of seriousness....

**Schedule 2 of the Licensing Act 2003 states: -**

The provision of late night refreshment

- 1 (1) For the purposes of this Act, a person "provides late night refreshment" if-
- (a) at any time between the hours of 11.00 p.m. and 5.00 a.m., he supplies hot food or hot drink to members of the public, or a section of the public, on or from any premises, whether for consumption on or off the premises, or
  - (b) at any time between those hours when members of the public, or a section of the public, are admitted to any premises, he supplies, or holds himself out as willing to supply, hot food or hot drink to any persons, or to persons of a particular description, on or from those premises, whether for consumption on or off the premises

**Licensing Authorities power to exercise substantive discretionary powers.****The British Beer and Pub Association (2) The Association of Licensed Multiple Retailers (3) The British Institute of Inn keeping V Canterbury City Council.**

Contesting the validity of the Licensing policy that asks for certain requirements before the application has been submitted. In the summing up the Judge states; The scheme of the legislation is to leave it to applicants to determine what to include in their applications, subject to the requirements of Section 17 and the Regulations as to the prescribed form and the inclusion of a statement of specified matters in the operating schedule. An applicant who makes the right judgement, so that the application gives rise to no relevant representations, is entitled to the grant of a licence without the imposition of conditions. The licensing authority has no power at all to lay down the contents of an application and has no power to assess an application, or exercise substantive discretionary powers in relation to it, unless there

are relevant representations and the decision – making function under section 18 (3) is engaged.
