NOTES**Guidance issued under section 182 of the Licensing Act 2003, Section S18(7)****Relevant, vexatious and frivolous representations**

- 5.73 A representation would only be “relevant” if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives....
- 5.75 It is for the licensing authority to determine on its merits whether any representation by an interested party is frivolous or vexatious....

The licensing authority must determine this and make the decision on the basis of what might ordinarily be considered to be vexatious or frivolous. Vexation may arise because of disputes between rival businesses and local knowledge will therefore be invaluable in considering such matters. Frivolous representations would be essentially categorised by a lack of seriousness....

11 (1) This paragraph applies where-

- (a) within such period (of not less than six months) as may be specified, the holder of a justices' licence for any premises applies, in accordance with Part 3 of this Act, for the grant of a premises licence in respect of those premises, and
- (b) the licence, if granted in the form applied for, would authorise the sale by retail of alcohol.

(2) In determining the application for the premises licence under section 18, the relevant licensing authority may not, by virtue of subsection (3)(b) of that section, grant the licence subject to conditions which prevent the sale of alcohol on the premises during the permitted hours.

(3) But sub-paragraph (2) does not apply where-

- (a) there has been a material change in circumstances since the relevant time, and
- (b) the relevant representations made in respect of the application include representations made by the chief officer of police for the police area (or any police area) in which the premises are situated advocating that, for the purposes of promoting the crime prevention objective, the premises licence ought to authorise the sale of alcohol during more restricted hours than the permitted hours.

(4) In this paragraph-

"permitted hours" means the permitted hours during which the holder of the justices' licence is permitted to sell alcohol on the premises under Part 3 of the 1964 Act;

Contesting the validity of the Licensing policy that asks for certain requirements before the application has been submitted. In the summing up the Judge states; The scheme of the legislation is to leave it to applicants to determine what to include in their applications, subject to the requirements of Section 17 and the Regulations as to the prescribed form and the inclusion of a statement of specified matters in the operating schedule. An applicant who makes the right judgement, so that the application gives rise to no relevant representations, is entitled to the grant of a licence without the imposition of conditions. The licensing authority has no power at all to lay down the contents of an application and has no power to assess an application, or exercise substantive discretionary powers in relation to it, unless there are relevant representations and the decision – making function under section 18 (3) is engaged.
