Councillor R Mills declared a personal interest in Agenda item No. 11 (DCNE2005/3887/F - conversion of barn to dwelling; new detached garage with studio/workshop over and new vehicle access at Furrows Farm, Bishops Frome, Herefordshire) and remained in the meeting during consideration of this item.

172. MINUTES

RESOLVED:

That the Minutes of the meeting held on 4th January, 2006 be approved as a correct record, subject to the inclusion of "E12" after "A2D" in minute 169 (DCNC2005/3689/O - SITE FOR SMITHY & STABLES WITH FARRIERS COTTAGE AND APPRENTICE FLAT ON PART PARCEL NO 4493, HOLMER FARM, PUDLESTON, LEOMINSTER)

173. ITEM FOR INFORMATION - APPEALS

The Sub-Committee noted the Council's current position in respect of Planning Appeals for the Northern Area.

174. APPLICATIONS RECEIVED

The Sub-Committee considered the following planning applications received for the Northern Area and authorised the Head of Planning Services to impose any additional or varied conditions and reasons considered to be necessary.

175. **DCNC2005/3734/F - RETROSPECTIVE APPLICATION FOR TWO STOREY SIDE EXTENSION TO DWELLING AT LAVENDER COTTAGE, UPPER SAPEY, WORCESTER, HEREFORDSHIRE, WR6 6XT FOR: MR P DAVIS PER LINTON DESIGN GROUP, 27 HIGH STREET, BROMYARD, HEREFORDSHIRE, HR7 4AA**

Councillor T W Hunt the Local Ward Councillor was concerned about a further retrospective application from the owner. He felt that the previous modest bungalow had been transformed into a substantial house which was visually intrusive into the landscape and had an adverse effect upon neighbouring properties. He was also concerned about the design of the alterations and the method of construction.

RESOLVED:

That (i) The Northern Area Planning Sub-Committee is minded to refuse the application because of the following reason and any further reasons for refusal felt to be necessary by the Head of Planning Services, provided that the Head of Planning Services does not refer the application to the Planning Committee:

- 1. The site is within the area of great landscape value in the Malvern Hills District Local Plan and in an area of landscape least resistant to change in the Herefordshire Unitary Development Plan. The large scale extension to the roof increases its scale, height and massing and is conspicuous in the wider landscape setting of the site and does not respect the original design of the property and detracts from the appearance of the site and its surroundings. The proposals are therefore contrary to Housing Policy 16 and Landscape Policy 3 of the Malvern Hills District Local Plan, Policy CTC.2 of the Hereford and Worcester County Structure Plan and Policies H18 and LA.2 of the Herefordshire Unitary Development Plan (revised deposit draft).**

- (ii) If the Head of Planning Services does not refer the application to the Planning Committee, Officers named in the Scheme of Delegation to Officers be instructed to refuse the application, subject to such reasons for refusal referred to above.**

[Note: Following the vote on this application, the Development Control Manager advised that he would not refer the decision to the Head of Planning Services]

176. **DCNC2005/3639/F - DEMOLITION OF EXISTING HOUSE AND ERECTION OF 3 NO. DETACHED HOUSES WITH INTEGRAL GARAGES AT 6 LINTON LANE, BROMYARD, HEREFORDSHIRE, HR7 4DQ FOR: MORPHEUS CONSTRUCTION LTD, LINTON DESIGN GROUP, 27 HIGH STREET, BROMYARD, HEREFORDSHIRE, HR7 4AA**

In accordance with the criteria for public speaking, Mr. D Cave (Bromyard and Wilmslow Town Council) spoke against the application.

Councillor B Hunt one of the Local Ward Members had some sympathies with the objections raised and felt that two dwellings would have been preferable on the site. He felt however that it was difficult to refuse the application and that the situation could be mitigated by retaining the party hedge with Frome Bungalow; the windows being opaque to prevent overlooking of 2 Frome View; and the hedge and trees at

the bottom of the garden being retained.

The receipt of a fax from the agent acting on behalf of the applicant about an offer received on one of the properties was reported. A prospective purchaser had enquired if he could apply for the covenant to be lifted for a period of 10 years so that he could use the property as a home for his retirement. The Sub-Committee concurred with the views of the Development Control Manager that it was not practical for occupancy conditions to be removed and then reapplied at a later time.

In accordance with the criteria for public speaking, Mrs. White (objector) spoke against the application and Mr. Kelsall (applicant) spoke in favour.

Councillor K G Grumbley the Local Ward Member said that this was the third time that the application had been considered by the Sub-Committee and he drew attention to an offer that had been previously made on one of the properties which had been subsequently withdrawn because the applicant was not eligible for the occupancy condition to be removed. He said that there was a boundary dispute between the two neighbours and that the applicant originally intended to occupy the dwellings but because of the dispute did no longer feel that he was able to and therefore wished to offer them for sale. Councillor Grumbley outlined the options available to the sub-committee. Councillors Barnett, James and Thomas had concerns about the comments that had been made at the meeting and wondered why the occupancy condition had been imposed in the first place if it would prove to be difficult to achieve. The Northern Team Leader outlined the planning history and the steps that had been taken by the applicant to market the properties.

Having considered all the facts in relation to the application, the Sub-Committee decided that it should be approved.
