#### **1. Site Description and Proposal**

- 1.1 The location for the 'retrospective' application is a former farmhouse known as 'Mill Cottage' situated in open countryside, the property's curtilage is adjacent to the C1017 public highway. The property currently has planning use as a C2 residential institution for the care of four children and accommodation for seven resident carers. This approval was granted by this Committee on 5th October 2005.
- 1.2 Mill Cottage is a Grade II Listed property, a three storey structure constructed predominantly constructed externally of brick with some stone and timber frame. The roofing material externally is of slate on the oldest part of the property, with tile on the adjoining addition.
- 1.3 Within the property's curtilage is a hardstanding car parking area that can accommodate in excess of 10 cars, the rest of the cottage's domestic curtilage is laid down to lawn.
- 1.4 The property forms part of a former farmstead, to which the owner has the more modern steel framed buildings to the rear of the cottage in agricultural use. These structures are accessed via a separate access from the public highway to that of Mill Cottage itself.
- 1.5 To the rear south easterly side of the more modern agricultural structures presently in agricultural use, is the remains of Wigmore Abbey, this is a Scheduled Ancient Monument. A property known as 'The Grange' sits between the agricultural buildings and this ancient monument. These are Grade One Listed.

- 1.6 The applications include works already carried out both internally and externally at Mill Cottage and include internal partition walls, replacement windows, cladding on rear lower ground floor store using horizontal, sawn, softwood boarding, a new store, as well as proposed development including cladding the ground floor store in locally sourced natural stone and installation of boundary railings to the store.
- 1.7 Also forming part of this report is planning application Ref. No. NW06/0543/F this is also in part a retrospective application for a boundary fence surrounding three sides of Mill Cottage itself. The fence is of mainly timber construction and the application requests planning approval for removal of existing concrete posts and timber panels and replacement with horizontal rails with a stained finish.
- 1.8 It is proposed to clad both sides of the fence on the south east and north west elevations with horizontal rails and clad exposed concrete posts with vertical boarding. It is proposed to screen the fencing on the south western boundary with a 'green screen' using evergreen Ivy 'Hedra'. The existing external lighting on the fencing is to be removed and replaced by proprietary lighting bollards.

#### **4. Consultation Summary**

##### Statutory Consultations

- 4.1 English Heritage – A verbal report will be given to Committee on this response, which at the time of writing this report has not been received.

##### Internal Council Advice

- 4.2 Traffic Manager - Has no objection to the grant of permission.
- 4.3 Conservation Manager - The proposals are as discussed on site. The previously unacceptable alterations will now be more sympathetic to the listed building. No objections to the proposals as outlined in the applications subject to inclusion of a condition with regards to details of all materials to be used to any approval notice subsequently issued.

#### **5. Representations**

- 5.1 Adforton Parish Council states in response to application Ref No. NW06/0543/F:-

- 'The Council supports the cladding of exposed brickwork of concrete blocks with local stone.
- The Council does not support the use of modern materials and creating a wooden fence in close proximity to antiquities and historic sites. This should be in the same local stone as the rest of the adjacent property.'

The response to application Ref. No. NW06/0546/L states:-

'The Council supports its original concern over the extensive illegal alterations to a listed building. This is against planning regulations and creates a serious precedent if allowed, especially the outside alterations which are not sympathetic to the adjacent ancient monument.'

- 5.2 Four letters of objections to the development have been received from:-

- Alison Thomas, Stanway Bank, Adforton, Craven Arms
- John and Carol Challis, Wigmore Abbey, Leintwardine, Shropshire
- Julie W Laybourn, Paytoe Hall Cottage, Paytoe, Leintwardine, Shropshire
- Gillian Greenwood, Cranes Lane Cottage, Paytoe, Leintwardine, Shropshire

These objections can be summarised as follows:-

- Concerns raised about plans submitted for planning approval not showing 'before' and 'after' elevations.
- Proposal takes dwelling out of range of 'local affordability'.

- Concerns about water supply and foul water disposal.
- Increased road usage in relationship to the business conducted on site, and size of car parking area on site.
- Impact of the proposal on setting of Wigmore Abbey.
- Objections to proposal being considered separately to that of the change of use.
- Impact of proposal on privacy and security of Wigmore Abbey.
- Concerns that local residents views have not been taken into account in relationship to the planning history of the site.
- Cottage dwellings within the vicinity in the same ownership as that of Mill Cottage being used in connection to the care home.

5.3 The full text of these letters can be inspected at Northern Planning Services, Blueschool House, Blueschool Street, Hereford and prior to the Sub-Committee meeting.

## **6. Officers Appraisal**

6.1 This application and previous planning history of the site has created a lot of dissatisfaction in the local community, surrounding the application site. It must be emphasised for the benefit of all concerned, that the retrospective application for change of use to C2 residential institution at Mill Cottage that was approved subject to conditions by the Northern Area Planning Sub-Committee at its meeting held on 5<sup>th</sup> October 2005 in-line with officer recommendation was a completely separate planning issue to that of the retrospective works carried out to the property and works proposed subject to the applications currently under planning consideration. The change of use application had to be considered firstly so as not to prejudice the use of the site in relationship to the works subject to the present application.

6.2 Secondly planning legislation makes provision for 'retrospective applications' and therefore the applications have to be considered on their merits as presented for planning consideration against relevant planning policies.

6.3 The main issue with regards to the current applications under consideration is:-

- Impact of retrospective development and proposed development on the listed buildings and setting of listed buildings.

6.4 The Conservation Manager in the response received on 9<sup>th</sup> March 2006 acknowledges the listed status of the building as well as that of the surrounding built environment, some of which are grade I listed – The Grange and Wigmore Abbey. The response states no objections to the proposals as outlined in the application subject to a condition being attached to any approval notice issued with regards to all construction materials to be used in the development.

6.5 It is noted that Adforton Parish Council also raise no objections for proposals to the cottage itself, but do raise concerns about the unauthorised wooden fence proposals. It is considered that the fence proposals are satisfactory and in keeping with surrounding structures, parts of which are externally constructed of timber.

6.6 Careful consideration has been given to letters of objections received to this application from members of the public as well as to the comments received from the Parish Council, they are however, largely, not material to the proposals. Those that are relate to a different opinion in terms of the impact upon the character and setting of the listed buildings and ancient monument, to that of officers.
