1. Site Description and Proposal

- 1.1 The dwelling subject of this application is a two-storey Grade II listed building and of timber frame and render painted white external construction under a slate roof.
- 1.2 The property has a large domestic curtilage with driveway and parking area. The curtilage is mainly laid down to lawn with informal planting of mature trees and shrubs.
- 1.3 The property is one of a small cluster of dwellings located in open countryside. Access to the site is obtained via the unclassified 92004 public highway, from the A4113 public highway. The unclassified public highway also serves the surrounding neighbouring dwellings four of which have boundaries neighbouring the dwelling subject to this application.
- 1.4 The development subject to this application proposes a garden cafe and tea room.
- 1.5 As part of the application, the applicant has submitted a supporting statement which includes an impact analysis for the proposed garden cafe. This impact analysis concludes that no detrimental impact will be created as a result of the proposal on the amenity and privacy of the surrounding environment.
- 1.6 The site commenced trading in 2005 and has since ceased trading due to concerns raised by members of the public and the need for planning approval for this form of business from the local planning authority.

Internal Council Advice

4.2 Traffic Manager - Has no objection to the grant of permission.

4.3 Conservation Manager - No objections subject to details of new window sections.

4.4 Environmental Health Manager – No response received.

5. Representations

5.1 Walford Parish Council have made no comments on their response to the application.

5.2 Letters of objection have been received from six separate householders to the application. They are as follows:

- Jenny Maxwell, Court Cottage, Walford, Leintwardine.
- Mr G C Macfarquhar, Walford Grange, Walford, Leintwardine.
- Allan Grimley, Maplecroft, Walford, Leintwardine.
- K F & J Davison, Motte House, Walford, Leintwardine.
- Colin Brady, Walford Farm, Leintwardine.
- Lucy Clothier, Fold Cottage, Walford, Leintwardine.

The objections can be summarised as follows:

- Impact on neighbours privacy
- Impact of proposal on public highway leading to the site
- Impact on sewerage system
- Impact on the character of the surrounding environment
- Concerns about accuracy of applicants submission

5.3 The full text of these letters can be inspected at Northern Planning Services, Blueschool House, Blueschool Street, Hereford and prior to the Sub-Committee meeting.

6. Officers Appraisal

6.1 The main issues for planning consideration are:

- a) Impact of proposal on neighbouring dwellings.
- b) Impact of the proposal on the public highway leading to the site.
- c) Sustainability.

6.2 The application proposes a garden café and tea room at a dwelling house used as a family home, that also provides bed and breakfast accommodation. The applicant as part of her submission has submitted a supporting statement which states that the garden café and tea room was open from 10.30 am until 4.30 pm and that visitor numbers to these facilities during the summer of 2005 did not exceed more than 6 persons per day.

6.3 The detached dwelling subject to this application has a large domestic curtilage which consists mainly of lawned areas and plantings of mature shrubs and trees. The application indicates that a section of the lawned area is available for members of the public to use as the proposed 'garden café'. This site is located directly in front of the dwelling and is surrounded by mature shrubs/trees alongside its boundaries.

6.4 The proposed 'tea room' is on the ground floor adjacent to the dwellings kitchen on the western side of the house.

6.5 The Council's Highways Manager raises no objections to the proposed development.

6.6 It is noted that some of the letters of objections received do not object to the proposal in principal on the basis of past numbers of visitors using the premises for the garden café and tea room. However they do raise concerns about future growth of the business if planning approval is granted.

6.7 The issue with regards to the sewerage system is not considered directly problematic provided number restrictions are attached to the decision notice if Members are mindful to approve this application.

6.8 The development is considered acceptable on sustainability grounds as the business proposal is aimed at tourism and passing motorists within the vicinity of the application site. It is unlikely to become a destination in its own right, with the possible exception of local residents.
