### Purpose

- 1 To consider the Committee work programme for the remainder of 2006/07.

### Background

- 3 In accordance with the Scrutiny Improvement Plan a report on the Committee's current Work Programme will be made to each of the scheduled quarterly meetings of this Scrutiny Committee. A copy of the current Work Programme is attached at appendix 1.
- 4 While the programme has based on the programme agreed by Committee in December 2005, it has been varied by the Committee at subsequent meetings or by me as Chairman according to circumstances following consultation with the Vice-Chairman and the Director of Environment. Members are reminded that guidance for developing an effective work programme is contained in the Scrutiny Handbook previously issued to Members.
- 5 The Vice-Chairman and I are aware of a number of other issues for consideration. These have been discussed with the Director and will be added to the program as it is further developed. The issues are listed at the foot of the programme.
- 6 Should any urgent, prominent or high profile issue arise, as Chairman I may consider calling an additional meeting to consider that issue.
- 7 Should Members become aware of any issues they consider may be added to the scrutiny programme they should contact either myself as Chairman or the Vice-Chairman to log the issue so that it may be taken in to consideration when planning future agendas or when revising the work programme.

### RECOMMENDATION

**THAT subject to any comment or issues raised by the Committee the Committee work programme be approved and reported to Strategic Monitoring Committee.**
